1. The first part of the report is a general introduction to the subject of the study.

2. The second part of the report is a detailed description of the methods used in the study.

### 3. Results

3.1. The first result of the study is that the data shows a clear trend of increasing values over time.

3.2. The second result of the study is that the data shows a clear trend of decreasing values over time.

3.3. The third result of the study is that the data shows a clear trend of increasing values over time.

3.4. The fourth result of the study is that the data shows a clear trend of decreasing values over time.

3.5. The fifth result of the study is that the data shows a clear trend of increasing values over time.

3.6. The sixth result of the study is that the data shows a clear trend of decreasing values over time.

3.7. The seventh result of the study is that the data shows a clear trend of increasing values over time.

3.8. The eighth result of the study is that the data shows a clear trend of decreasing values over time.

3.9. The ninth result of the study is that the data shows a clear trend of increasing values over time.

3.10. The tenth result of the study is that the data shows a clear trend of decreasing values over time.

3.11. The eleventh result of the study is that the data shows a clear trend of increasing values over time.

3.12. The twelfth result of the study is that the data shows a clear trend of decreasing values over time.

3.13. The thirteenth result of the study is that the data shows a clear trend of increasing values over time.

3.14. The fourteenth result of the study is that the data shows a clear trend of decreasing values over time.

3.15. The fifteenth result of the study is that the data shows a clear trend of increasing values over time.
